god still speaks today through dreams visions and divine encounters he created us to receive his voice through these spiritual channels the challenge is not god s silence

but our ability to recognize when he is speaking many believers dismiss spiritual dreams as imagination or random thoughts yet often heaven is trying to communicate guide and reveal this book will help you understand how god speaks recognize his signals and respond with faith you were made to hear from him not by accident but by design

the word eugenics first appears in this book also in this book galton shows mathematically the results of his experiments on the relations between the powers of visual imagery and of abstract thought

in his most important sanskrit work darshanamala narayana guru adopts uncharted method of viewing the non dual brahman leaving the student seeker to intuitively perceive one ineffable reality the ancient upanishadic wisdom is thus condensed and restated by the guru in the age of science how brahmavidya naturally becomes the science of all sciences
